The Essential Mac Disk Utility Everything just disappeared after your Mac went haywire.. Your Mac may even tell you that you need to 'Initialize Disk' which would erase your entire disk! DiskWarrior gets you back up and running fast! Perhaps you've tried to open a document and all that happens is a color wheel that spins and spins and spins Or your Mac no longer starts up Or your external hard disk no longer appears Or your MP3s won't play.. It's your life and it's gone DiskWarrior will recover your documents, photos, music and any other files when disaster strikes and you lose access to your files.. Everything just disappeared after your Mac went haywire Or every time you look through your photos, your Mac crashes.. With a single click, DiskWarrior reads the damaged directory and finds all salvageable files and folders and builds a new error-free, optimized directory for you to use.
